- 18302 Sanitary Facilities
- 10116 Nautical publications
- 07105 Fire doors/openings in fire-resisting divisions
- 18321 Heating, air conditioning and ventilation

2. IMPLEMENTATION INSTRUCTIONS

PHRS Surveyors/ Auditors are requested **to download the new PSC CIC report (which is attached to this TC)** and focus on these areas during surveys and audits aiming to ensure compliance with the International Conventions and avoidance of a possible deficiency in an upcoming inspection by PSC Authorities.

Coordinators/ Verifiers are requested to assign this service "3m CIC" to surveyors in relevant leads/ projects. When the surveyors have been assigned this service, they shall download the relevant report from this TC and proceed accordingly.

For any questions or further assistance, please do not hesitate to contact us at

REQUIRED ACTION: Please acknowledge receipt and understanding of TC 387/26 by 09/10/2026.
